

Blessed be the God and Father of our Lord Jesus Christ, the Father of mercies and God of all comfort – 2 Corinthians 1 v3

CELEBRATING 8 YEARS OF GOD'S GOODNESS AND OUR NEW NAME!

February marked our 8th anniversary for the organisation and as we officially launched our new name, it was good to look back to acknowledge and give thanks for God's faithfulness and goodness to us during these past years.

We shared the occasion with community members who have been supporting us, government officials and headteachers who we work closely with, and of course, the families. It was a blessing to hear from the parents how their lives have changed since they met the organisation and as we start this new chapter, our prayer is that we embody the meaning of our name Jabori and God would enable us to bring comfort to many more families in Njoro.

TRAINING FOR STAFF

We were thrilled to welcome Rob and Helen Cooper to Njoro in February. Rob, a retired engineer, spent time with the APT team developing the standing frame and wheeled devices. This was of huge benefit to the team and as a result, helping children in and out of the standing frame has become much easier thanks to the new removeable headrest they designed.

Helen, a retired Occupational Therapist, spent time with staff teaching about play and good positions for play. We were pleased to welcome staff from other organisations to join one of the training days.

We are grateful to them both for sharing their time and knowledge with us and for helping us to improve the services we provide to families.

APT NETWORK 2026

In February we hosted the 3rd annual APT Network meeting. The theme this year was The Importance of Positioning and the use of APT for Positioning. The sessions were led by staff from The Walkabout Foundation and L'Arche Kenya. This year we welcomed a new organisation, making the total number of organisations in the network, 9.

The event provided a platform for members to share knowledge and skills that will help each one improve the services they offer children and families.

"When I joined the Potter's disability support group, I met other parents with children with disabilities and having listened to their journey with their children, I felt like I wasn't alone and got so much encouragement."

PARENT FEEDBACK

Ministry in pictures

The Grace Grows project continues to train caregivers on how to establish and maintain kitchen gardens, providing better nutrition to families.

3 caregivers attended Basic Business Skills training in preparation to start their own business.

The new academic term started in January and we were pleased to assist with the enrolment of two caregivers.

Jossey and Stephen have been meeting one to one with some of the dads to share the gospel using The Word 1:1 resource.

PRAYER REQUESTS

● Men's Ministry

Pray for the Men's ministry, that we would be able to reach out to more men and for the finances needed.

● 8 years and new chapter

Give thanks for God's provision during the last 8yrs. Pray that He would continue to lead and guide us as we seek to bring comfort to others.

● Holiday Club

Pray for the holiday club that will take place in April. For children to attend and be receptive to the good news of Jesus Christ, for the helpers and staff, and for resources needed.
