

*For God so loved the world, that he gave his only Son, that whoever believes in him should not perish but have eternal life. John 3 v16.*

## Grace Grows Project

5 groups have now completed the Kitchen Gardening training. We are thankful to Njoro Salvation Army Special School for allowing us to use their land. In return, the school children enjoy the fresh vegetables in their meals.

## Men's Table Talk

We are excited to have just begun a weekly Men's Table Talk which has replaced our monthly men's breakfast. It is open to all men and is an opportunity for them to enjoy fellowship with refreshments and engage in discussions and a bible study. Meeting more regularly will hopefully encourage more consistent attendance and have a greater impact. Our desire is to provide a supportive environment for men and see them become responsible husbands and fathers, able to provide for their family. As part of this ministry, staff are visiting men during the week to offer additional emotional and spiritual support. We would sincerely appreciate your prayers and support for this ministry.

## PRAYER REQUESTS

### \* Church partnerships

Pray for churches to partner with us in the men's and boy's ministry.

### \* Funding

Give thanks for God's provision for the work during 2025. Continue to pray for the the families that have benefitted.

### \* Safe birth

Pray for a mum who is due to give birth at the end of the month. Pray for safety during the birth and for good health for the mum and baby.

***"Many men are sinking into depression. This is an important platform for men to vent out and feel their problem half solved. Enjoying a cup of tea and the gospel shared, it's very important for men."***

## Holiday club

The school holiday is well underway. Schools will not reopen until January 2026. As usual, we've had the joy of running a holiday club for more than 150 children, for 3 weeks. Thanks to the kind donations of food from the community, each child was well-fed throughout their time with us. We were

blessed to have caregivers volunteer their time to help, ensuring the children enjoyed a mix of games, singing, and fun activities. John did an excellent job leading the Bible lessons and on the last day parents were invited to hear a short gospel message and enjoy a meal together.

## Ministry in pictures

The weekly Bible Study has continued throughout the year. We are grateful to Tony Were from Crosspoint Bible Church for leading the studies.

In November, 8 caregivers attended Basic Business Skills training in preparation to start their own business.

Over 50 boys aged between 11-16yrs have attended the Saturday Club this year. All made an APT stool which they took home.

This year the team have provided over 240 postural support devices to children with disabilities from all over Kenya.

## NEW APT Partnership

We are thrilled to announce our partnership with Icfem Dreamland Mission Hospital. This partnership paves the way for APT devices to be locally available to children in western Kenya for the very first time.

Having trained their therapist, they will now be able to assess and measure children at their centre and forward the measurements to our team to make the devices. Once the devices are made and sent to them, they will distribute them to the child. This will drastically reduce the need for families to travel hundreds of kilometres to Njoro to access essential equipment.

To find out more about the amazing work Icfem Dreamland Mission Hospital are doing in Kimilili take a look at their website [www.dreamlandmission.org](http://www.dreamlandmission.org)

## Thank you!

Thank you to everyone who has supported us throughout 2025, your support has made a huge difference in the lives of families in Njoro. We wish you all a happy Christmas and blessed New Year.
